With the partnership of Logix Group, Alphabites Restaurant Private Limited launched their maiden restaurant venture , A Grill Company, at Logix Mall, Noida, Delhi NCR. The restaurant is all about modern Indian and fusion cuisine, and molecular gastronomy.

Spread in the area of 3500 sqft, the restaurant has total of 120 seating. With the modern and unique interiors, the restaurant menu has very authentic Indian food offerings.

The restaurant has a live grill concept along with the molecular food which gives a delightful experience. The restaurant comes up with redefining the Indian Cuisine by breaking the monotony of daily regular menus and adds the everyday new menu inspired by the cultural or regional food of India's diverse culture.

Guests at the restaurant can experience the joy of grilling their own vegetarian and non-vegetarian barbeques on live grills embedded in their tables.

With the inception of their first restaurant in NCR, the promoters, Rohit Malhotra, Parvesh Singh and Sandeep Nehra are all geared to open more outlets in Delhi and Punjab followed by other cities.
